

**LUCY SCHOOL  
PERMISSION TO PHOTOGRAPH AND USE IMAGES AND ARTWORK**

In the course of daily activities at Lucy School, students are at times photographed and these images (including videos) are often shared with school families, and may be used in the school newsletter and in brochures, the school website and other school publications. This form allows such photos, compositions and/or other school work to be reproduced and posted for others to view in school publications and promotional material, the media and on the school website. Signing this form does not imply that your child's image or work will be used; it simply gives the school permission to use them, if selected.

The school webmaster has produced a quality website for the school. Personal information about the students whose images are used (e.g., full name, address, etc.) is never posted. Most of the pictures posted on the site are individual or group shots of students at work or involved in a school activity, or about specific school programs. The purpose of the website is to provide information about the school to area families, educators and caregivers.

I give permission to Lucy School and its representatives to photograph my child and to publish in print, electronic or video format the likeness or image of my child and work created by my child. I agree that such likeness or image may be used and reused in whole or in part for multimedia productions, illustration, promotional purposes and/or educational distribution as deemed fit by the school. I release all claims against Lucy School with respect to copyright ownership and publication, including claim for compensation related to the use of these materials.

I also understand that when my child's image is posted on the school's website, the image can be downloaded by any computer user internal or external to the school, without the school's permission. Therefore, I agree to release and indemnify and hold harmless Lucy School, its officers, agents and employees from any and all claims about the uses of my child's likeness. I also agree to hold Lucy School, its officers, agents and employees harmless from any and all claims by third parties, including claims based on the allegation of copyright infringement.
