Credits and Tuition Assistance:

A sibling credit, 15% of the annual tuition cost, is credited when a sibling is also enrolled at the school (excluding the young threes program). If three children are enrolled, 20% of the annual tuition cost will be credited. Two siblings in before/after school care earn a 10% credit for annual payments (due on August 1), or the last of ten monthly payments (August 1–May 1) will be waived. There is no credit for per-day care.

Need-based tuition assistance is also available (application deadline is February 15, 2018). The number of families that can benefit each year depends on the funds provided for this purpose by the Luce Fund for Children, which uses contributed funds generated through a variety of fundraising activities and events.

Please enroll our child in the program(s) indicated above for the 2018-2019 school year.
