**Sibling Credit:** A credit of 15% of the annual tuition (10% for PK enrollments) is applied when a sibling is also enrolled at the school (excluding the young threes program). If three siblings are enrolled, 20% of the annual tuition (15% for PK enrollments) will be credited. For the Young Threes program, families that have one other child concurrently attending Lucy School will receive a \$100 credit towards the Young Threes tuition. Families that have two other children concurrently attending Lucy School will receive a \$200 credit towards the Young Threes tuition. There will be no additional credits afforded to the tuition of older children because of YT enrollments.

**Need Based Tuition Assistance:** The primary and first source for tuition assistance is the Luce Fund for Children, a charitable entity organized by friends and supporters of Lucy School. Annually, it provides need-based assistance to school families through designated awards. Applications are submitted directly to the Luce Fund for Children. For the 2020/2021 school year, the application deadline is February 17, 2020. The Board of Directors of the Luce Fund reviews application information with names of applying families redacted. Only families that are fully enrolled at the school are eligible for this program. There are also limited opportunities to make tuition-reduction arrangements directly with the school, including options such as work exchange in areas of interest and need.
